

senior / associate interior designer

Job Title: senior / associate interior designer

Department: interiors

Location: London, UK

Salary: Competitive

Overview:

We are currently looking for an exceptional **senior or associate interior designer** to join us here at tp bennett. We are current at the early stages of a brand new project for an international Law Firm and we are looking for senior staff to join us at this very exciting time. We are currently at Briefing stage and we will need excellent conceptual designers, creative thinkers, and candidates with great client facing skills to see the next stage of the project through to planning.

You will ideally have some experience of law or financial firm design, but ultimately we are looking for unique, innovative, and fresh ideas to challenge the future of the workplace. Experience of hospitality/arts/creative backgrounds are highly desirable too as the client is looking to break the mould of what corporate interiors looks like. Some travel is involved in the trip to Europe and you will be working closely with the Project Director overseeing the work.

Key skills:

- Strong creative and conceptual ideas
- Team management
- Project running
- Hand sketching a big plus
- Presentations skills
- Client facing
- Workplace design
- SketchUp, 3DsMax,
- Commercial/Corporate project experience an advantage

- RIBA Stages 1-4
- Minimum 5 years post-qualification
- French speaking desirable

If you are interested in applying for the role, please send your cv and portfolio to careers@tpbennett.com with the headline 'associate director interiors'
