

associate director - interiors

Job Title Interior: associate director

Department: interiors

Location: London, UK

Salary: Competitive

Overview:

We are currently looking for an exceptional **associate director** to join us here at tp bennett. We have recently won a notable and large-scale project based in London and are looking for senior staff to join us at this very exciting time. We are currently at Briefing stage and will need excellent conceptual designers and creative thinkers to see the next stage of the project through to planning.

You will ideally have some experience of corporate, commercial, workplace design, but we are looking for unique, innovative, and fresh ideas to challenge the future of workplace. Experience of hospitality/arts/creative backgrounds are highly desirable too. You will have exposure to work collaboratively with our in-house model makers and visualisers to create and build your concepts in three dimensions.

Key skills:

- Strong creative conceptual ideas
- Presentations skills
- Client facing
- Workplace design
- Staff amenities design (restaurant areas, break outs, pods, auditorium)
- SketchUp, 3DsMax, hand drawing skills
- Commercial/Corporate project experience an advantage
- Background in Hospitality, Arts, Creative also desirable
- RIBA Stages 1-4
- Minimum 8 years post-qualification

If you are interested in applying for the role, please send your cv and portfolio to careers@tpbennett.com with the headline 'associate director interiors'
